

PHYSICAL SECURITY POLICY

A company dedicated to the production and export of a wide variety of high-quality frozen foods, committed to complying with security standards to minimize the risk of illicit activities, corruption, bribery, and money laundering throughout the production and commercialization process of our products.

Through the commitment and active participation of everyone involved in the foreign trade logistics chain of **PROVEFRUT S.A.**, we work under strict security standards, thus ensuring **Safe International Trade**, in full compliance with the country's legal requirements and with a focus on continuous improvement, while maintaining proper use of information security systems.

Located in **Latacunga, Panamericana Sur Km. 10, behind the Brigada Patria.**
